

PEER TUTORIALS

Every Wednesday there will be a student led tutorial. Everyone will present one tutorial throughout the semester. You will present from your seat and we will project your screen onto the board. Chose a tutorial that you feel comfortable and excited about. It can be either a Photoshop or Illustrator tutorial. Please have typed up directions to display while you are going through the steps. For full credit, save them to your Google Drive before you start the demo. This is a project grade (40 points) If you are tardy the day of your tutorial, you will not receive credit. If you are absent the day of your tutorial, you must present the following day.
